## **HOW DO I SIGN-UP TO ATTEND A SATURDAY SERVICE?**

There are two very important reasons why we need you to pre-register/sign-up for each Saturday service you plan to attend:

1. CDC & Diocesan Guidelines requires Contact Tracing. When you register to attend a service, that information will be used in the event needed for this purpose only.
2. It will be helpful to our Ushers to know how many people and the size of each household to expect at each service in order to practice proper social distancing at all times.
